The image shows a login page for a service named 'lino'. The page has a bright yellow background. At the top left is the 'lino' logo, which consists of the word 'lino' written on a small, brown, sticky-note-like icon. To the right of the logo is the word 'Login' in a bold, black font. In the top right corner, there are four small icons: the US flag, a globe, a gear, and a refresh symbol. Below the logo and title, there are two white input fields. The first is labeled 'Username' and the second is labeled 'Password'. To the right of the password field is a link that says 'Forget password?>>'. Below the input fields, there is a section for 'Login with OpenID' which includes a red 'Y!' logo and a lock icon. Underneath that is a checkbox labeled 'Stay signed in'. A large, blue, rounded rectangular button with the word 'Login' in white is centered on the page. At the bottom, there is a horizontal line. Below the line, the text 'Login with' is followed by three buttons: 'twitter' (with a blue bird icon), 'Facebook' (with a blue 'f' icon), and 'Google' (with a multi-colored 'G' icon). At the very bottom, there are two links: 'Home' and 'Sign up', separated by a vertical bar.
